Not only is it factually incorrect, I personally think it does incite racist hatred - does anyone know who you can approach to put in an official complaint about this?

Subject: [TRAV-NET] BNP leaflet

Date: Thu, 22 Apr 2004 14:13:59 +0100

Yesterday when I got in from work I was greeted by a leaflet from the BNP, part of it said and I quote:-

"In May several Eastern European countries are set to join the EU. These countries have vast gypsy populations who right about now are sat packed waiting to make their way straight to Britain. The BNP are the only party that are campaigning to stop the asylum explosion. Whereas the old parties are willing to give these gypsies and "asylum seekers" everything, the BNP are committed to putting British people first. Why should these gypsies come here and get everything when many of our own pensioners live in poverty.?"
